Dear Sir

Re: MBCA 4852 COMMUNITY PROJECTS

Thankyou for your letter dated 13th October where you indicate that your Association would be interested in undertaking two projects namely, the Wongaling Transfer Station Beautification Project and the Clump Point Jetty-Toilet Block Landscaping. You also request in your letter confirmation that any of your members who will volunteer to assist with these projects will be covered through public liability.

This request will be formed into a report and will be taken to a future Council meeting. For any further information on this matter please contact Mr Paul Devine on 40683105.

Yours faithfully

Paul Devine
