Mr Allan Ogden *15 October*
Secretary
Mission Beach Community Association
54 Mission Drive
South Mission Beach, Qld, 4852

Dear Mr Ogden, *Allan*

I am writing to advise that I have made representations on behalf of the Mission Beach Community Association to Mr Clive Lowe, Regional Director, Queensland Transport (Northern), in respect of the undertaking of a formal survey of the Mission Beach community with a view to establishing a public transport service.

I have explained to Mr Lowe the difficulties the Mission Beach community have experienced recently with its Taxi services and with its local bus service and that this has limited the transport options available to residents in the Mission Beach community, particularly older residents, pensioners, young people and tourists.

I have formally request that Queensland Transport undertake a survey of the Mission Beach community to determine its suitability for the establishment of a viable public transport service and requested that the data and findings be made available when the survey is completed. When I receive a reply from Mr Lowe, I will contact your again.

Yours sincerely
