Dear Warwick,

In answer to your letter with regard to seating at the boat ramp in jackey jackey street.

Our club discussed this at our last meeting and it was decided that we would take this up as a project and we will contact the cassowary coast regional council to seek their permission And advice as to what type of seating we are permitted to install at the boat ramp.

We will keep you informed on the progress of the project and thank you and your organisation for giving us the opportunity To assist the community with this facility.

Thanking you

Yours sincerely

R.P. Kuchler
