## To Whom It May Concern

I am writing to express the support of the Mission Beach Community Association for the application by Mission Beach Artists Inc to the Reef Casino Gambling Fund for funding to purchase equipment to make glass beads, which we understand will be about \$4000.

The Mission Beach Artists have run a number of well supported workshops on various aspects of art education, and this equipment will enable them to increase their range into the process of bead making and the use of glass beads in artistic representations.

The Mission Beach Community Association has always been very supportive of the activities of the Mission Beach Artists, which we believe makes an important and valued contribution to the quality of life for all members of the Mission Beach community.

The Community Association will continue to support Mission Beach Artists through our website and at our general meetings.
